

Town of Glover
Trails Committee Minutes
April 22, 2024

Present: Peggy Day Gibson, Noel Ford, Tim Plastridge, Deb Wesoja, David & Lisa Olsen, and Michelle & Dominic Dominijanni. On zoom: Ann Creaven, Heidi Dux

1. The meeting was called to order at 7:06 pm.
2. Minutes from last meeting – The minutes from the March 18, 2024 meeting were read and approved.
3. Black Hills
 - a. Emergency access -- Noel talked to Adam right after the last meeting. We need to make sure the emergency responders know where the access roads are. Also need to meet with Carbo, who won't be available until after April 18.
 - b. The meeting with the land trust folks about connecting trails will be on June 14.
 - c. Trail maintenance -- need to ask Carbo which his priority is for this season. We hope to work on this after black fly season, and we are thinking that the loop where we snowshoed might be good.
4. Glover Points of Interest map idea -- on back burner this year. The town green and sensory trail work will be going on this summer.
5. Glover School to town green trail -- Peggy spoke with Bonnie Currier who is fine with this. It's an easy walk following the edge of the woods. There is another trail actually in the woods near there. However, the school doesn't want people on the grounds outside of school hours this year while construction is going on.
6. Hester Webster Trail / Lake Parker loop
 - a. Tim went to check on the beavers; they're back. He contacted the trapper who went back out last Thursday. The trail is very wet.
 - b. Footbridge from Parker Rd to Young hayfield -- see photos below (bridge at French Cemetery on Dexter Mountain Road) for an idea of how to build a movable bridge. For the base, Peggy can get granite small enough to move. Need to measure the span. Also need to determine how much money we have to spend.
7. Glover Park VOREC project
 - a. Still not finalized; not because of issues, just processing and paperwork.
 - b. VT Housing and Conservation will help with the management plan.
 - c. Jethro got a student intern summer position approved and funded by UVM to help with the project. He will interview applicants.
8. Next meeting will be on Monday May 20.
9. Adjourn: The meeting was adjourned at 8:10 pm.

Respectfully submitted,
Michelle Dominijanni
