

Town of Glover  
Trails Committee Minutes  
January 19, 2026

Present: Peggy Day Gibson, Anne Benning, Michelle & Dominic Dominijanni. On zoom: Brenda & Tim Plastridge, Ann Creaven, Lisa Olsen, Tim Seibert

1. The meeting was called to order at 7:02 pm.
2. Minutes from last meeting – The minutes from the October 27, 2025 meeting were previously approved, but the notes from the informal meeting on Dec. 28 were reviewed.
3. Handouts: Peggy passed around copies of what will be the "you are here" Black Hills map as well as the hand-drawn map for the Hinman Hiking Trail.
4. Black Hills
  - a. Winter outing planned for Jan. 31. Carbo can't make it that day but the road will be plowed. Need to publicize -- Peggy (Chronicle) and Michelle (FPF, website, email, FB) will get the word out.
  - b. maps: we will want to have the "you are here" maps at all junctions. We decided that 15x18 or 16x18 would be a good size.
  - c. spring maintenance: would like to include youth, maybe as an opportunity for service hours. We could hold some kind of event (need more ideas for this). Adopt-a-trail is another idea.
5. Stone Land
  - a. Peggy talked to the Stone family. The land was sold to the Vermont Land Trust, who in turn will sell it. We'd like to see if we can work with VLT to get permission to have a small parking area and a right-of-way for access to the Black Hills.
  - b. maps: will print other signs we need plus one of the Black Hills maps to make sure they look ok, then print for all the intersections.
6. Trail around Shadow Lake?
  - a. there is some interest in a walking trail; something of a trail exists but there is a lot of private property where owners are not interested in having a trail.
7. Lake Parker
  - a. Hinman Hiking Trail map -- Michelle will send her hand-drawn map to the group.
  - b. After some discussion, we think that trail maps should be 16x18, and historical markers should be 18x24.
  - c. Peggy is working with the historical society to add info to the trail maps. We also want to add info about animals and invasive plants.
8. Next meeting will be Monday, February 16.
9. Adjourn: The meeting was adjourned at 7:50 pm.

Respectfully submitted,  
Michelle Dominijanni
