

Town of Glover
Trails Committee notes from informal meeting
December 28, 2025

Present: Peggy Day Gibson, Lisa & David Olsen, Bob Sharkey, Michelle & Dominic Dominijanni.

We got together on Dec. 28 at Dominic and Michelle's house for a ski/snowshoe/walk along the VAST trail behind their house, followed by food and an informal meeting.

Notes:

We set a date for a ski/snowshoe excursion in the Black Hills -- Saturday Jan. 31 at 10 am, rain date the next day. We discussed ways to publicize: Front Porch Forum, our website, town website, Facebook, maybe post a sign at Hill Farmstead (not far from the Greensboro entrance to the Black Hills where we will meet).

Black Hills maps -- working on layout for first run. Michelle will send a scan of the hand-drawn map for the Hinman Hiking Trail.

The Stone property has been sold to the Vermont Land Trust. Peggy will call again to see if we can somehow provide access to the Black Hills.

Next meeting Jan. 12 (second Monday).
